Sir:

I N T E R V I E W S U M M A R Y

Applicants' undersigned attorney hereby summarizes the Interview with Primary Examiner Michael O'Neill regarding the above-identified patent application on September 8, 2004 as follows:

Serial No.: 10/604,642
Art Unit: 3713

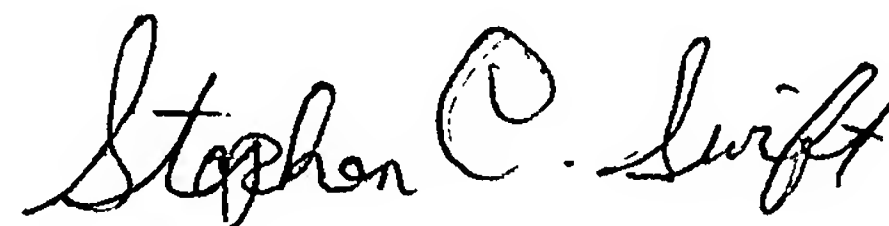

There were no exhibits shown nor was any demonstration conducted.

Claims 1-20 were discussed.

U.S. Patent No. 6,264,200 was discussed.

Applicants' attorney agreed to submit amended claims to more clearly define the invention over the prior art, in a supplemental amendment to be filed by October 8, 2004. It was agreed that the supplemental amendment would also add reference numbers to Figures 4 and 5, add language to the Brief Description of the Drawing referring to Figures 4 and 5, and add citations to the reference numbers in Figures 4 and 5 to the Detailed Description of the Preferred Embodiments.

Respectfully submitted,

Stephen Christopher Swift
